Notes from the Underground

Alot of sessioning has been going down in Louisburg. Thanks to all the guys who have made the skate scene rip up there!! More info in mag.... (Sorry, on the cover: Andy Howell, V.A., Haven) @ M.D.

"You Ought to Be Shot"

Was the comment from the locals of the Duong Ramp. It seems that after spending all their time and money on this ramp, they have to tear it down. (Order of Mr. Building Inspector.) Alot of complaint was filed. So now the locals are taking actions to set up a city ramp. Thanx to Bill Ladd, and Morris Wainwright. And all that have signed the petition.

Special thanks to: Morris & Brian Wainwright, Billy Duong, Chuck Andrews, David Dismule(Ha, Ha) and anybody else for doing what ever you did....

The Garner Ramp is being reconstructed. The walls are being torn down to make a bigger transition. It should be really hot!! Builder(David, Brian "Disco skater", and Morris.) The skate park is almost gone.... The street scene is shredding. Alots of boards are being sold. Poor Bill, I hope they give him a break. Breakdancing is in! Words from Joe in V.A. that Annadale is torn down. They too are trying to get a city ramp. We recently went to V.A. Beach and these ramps were hot! The scene was intense The skaters was hot! Keep up the great job! Maybe a PRO/AM at Trashmore this spring!

"Gosh I hate it! We got kicked out and sexually threatened by a red neck at the park!"

LAST CONTEST??

After receiving a couple of inspection notice and letter from City, telling to tear down the ramp, the locals decided to throw a contest. On March 2, 1985 the crew got ready. A lot of publicity from Action News 5, Raleigh Times, News and observer came. Around 12:00, everybody showed up from Wilmington, Louisburg, etc... The contest was smooth and ended with a sticker toss. Prizes was passed out and people went home knowing it would be the last time they would skate Duong's Ramp. R.I.P! Thanks to the Sponsors - O.S.S., All Star, Walker. Thanks to Reggie Barnes and all the judges.

Louisburg

by MARK
DUONG

Since the Duong's ramp been sessioning, skaters from Louisburg got down with their bad self and built a humongus ramp, 28ft wide, 9 to 10ft high, channel and 10ft rollout decks. I think it's the biggest in N.C. David Street, Christian Pruitt, Blake Mustian, and others put their money to built this perfect ramp. Located behind a cabbage field, it is a perfect sight with street lights and a cover. These guys are planning on a contest this spring sponsor by Coastal Bike shop. Even though there isn't a whole lot of vert skaters there, these guys are making the scene grow!!

Keep up the good job and keep skating!!
